Seat check

Mesa Fire Department provides free car seat checks for Mesa residents. According to the National Highway Traffic Safety Association, 96 percent of caregivers believe they install and use child seats correctly; however, actual safety seat inspections show that four out of five children are not buckled in correctly and 95 percent of children between the ages of 4 and 8 are riding in cars at-risk because they are not properly restrained. If you need assistance to learn how to properly install your car seat, call Mesa Fire Department Fire and Life Safety Education Department at 480-644-2200 from 7 a.m. to 6 p.m. Monday-Thursday to schedule an appointment with a certified technician. For additional information, call SAFE KIDS at 480-429-9535; 602-534-TOTS (8687) and 480-644-KIDS (5437).
